Notice of the 2021 Annual General Meeting and Request to Send or Supply Documents in Electronic Form and to Make Documents Available on a Website

The 2021 AGM will be held as a remote meeting only.

Please note that arrangements for the Annual General Meeting this year are different from those of previous years. As we expect significant restrictions on personal movement to still be in place due to Covid-19, we are utilising certain provisions in the Companies Act 2006 and our Articles of Association to convene and hold this year's Annual General Meeting as a virtual meeting, which is explained in the letter from the Chairman set out on pages 2 to 6. All voting on the resolutions at the Annual General Meeting will be conducted on a poll, which means that you should submit your proxy as soon as possible. There will be a limited opportunity to submit a poll card in the virtual meeting.

How to vote

Your votes matter. Please vote your shares by appointing the Chairman of the Company as your proxy. You can vote by returning the form of proxy that you received with this document.

All voting at the Annual General Meeting will be held as a poll in accordance with the provisions of our articles of association so you can rest assured that your vote will count. You will be able to submit a poll card (if you wish to change your votes contained in your completed form of proxy or have not voted prior to the meeting) in a short window after the meeting has formally closed. Instructions on how to do this will be given on the meeting platform.

A shareholder may appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the Annual General Meeting, provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a member of the Company. To be valid, the form of proxy provided or other instrument appointing a proxy must be emailed to company.secretary@cerillion.com or received by post at the offices of Computershare Investor Services PLC, the Company's registrar, at the address shown on the form of proxy. We recommend that on this occasion, due to restrictions on movement that are currently in place, proxies are sent by email if possible.

How to speak

If you wish to raise a question at the Annual General Meeting, we ask that you submit your question in advance. We would politely remind you that the Directors will not answer questions relating to the individual rights of shareholders at the Annual General Meeting itself, but if you wish to submit such a question by email, we will respond to the extent we are able.

If you chose to submit a question, we will confirm to you at least 48 hours in advance of the meeting that the question will be addressed. Unless you specifically request otherwise, the Chairman will put your question to the meeting and identify you by name as the person who has put the question (in the same way as he would ask you to identify yourself at an in-person meeting). Conducting the meeting in this way will allow everyone present to clearly hear the question.

In addition, there will be a short period at the start of the meeting for additional questions, but we would be very grateful if any matters could be raised in advance, as this will enable questions to be dealt with expediently.

Questions on the day will be submitted by shareholders through the electronic "raise your hand" feature or by typing questions into the Q&A box in the meeting. You will be kept on mute by the meeting host unless and until you are invited to ask your question(s).

Please submit any questions by email to company.secretary@cerillion.com with the subject line "AGM Question".

Dear Shareholder,

Annual General Meeting 2021

REQUEST TO SEND OR SUPPLY DOCUMENTS IN ELECTRONIC FORM AND TO MAKE DOCUMENTS AVAILABLE ON A WEBSITE

This document may also be accessed via the investors' section of our website, www.cerillion.com.

I look forward to welcoming you at the Cerillion plc (the "**Company**") Annual General Meeting ("**AGM**"), on Friday, 5 February 2021. The AGM will start at 9:00 a.m.

In light of the ongoing Coronavirus Pandemic and with a view to taking appropriate measures to safeguard its shareholders' health and make the AGM as safe and efficient as possible, the Company is invoking certain provisions in the Companies Act 2006 (the "**CA 2006**") and its articles of association (the "**Articles**"). These provisions allow the Chairman to conduct a general meeting in such a manner as he thinks fit. Whilst it was never envisaged that these provisions would be used for this purpose, they can be used to facilitate a shareholder meeting where it is necessary, on grounds of the personal safety of all concerned, to avoid the need for persons to be in the same physical location. For the purposes of the meeting provisions of the Articles, we are designating the location of the meeting to be the place where the Chairman is located.

As the Company has not done this before, I will explain the impact on the operation of the AGM and the voting process in some detail.

At the same time, we are seeking your consent to send or supply you with documents and information in electronic form and by way of website publication.

Part A: 2021 AGM

AGM Arrangements

Before the AGM

In the usual way we ask and encourage shareholders to vote for the AGM resolutions by appointing the Chairman as their proxy. Accordingly, shareholders are encouraged to complete the enclosed form of proxy (the "**Form of Proxy**") and return it by email to company.secretary@cerillion.com or by post to Computershare Investor Services PLC (the "**Registrar**") of The Pavilions, Bridgewater Road, Bristol BS13 8AE, as soon as possible. To be valid, the Form of Proxy provided or other instrument appointing a proxy must be received by 9:00 a.m. on 3 February 2021, or in the case of shares held through CREST, via the CREST system.

In accordance with the Articles, all of the voting at the AGM will be conducted on a poll and there will be no show of hands. This means that your votes will all be counted for all the shares that you have.

Please remember to submit any questions in advance in accordance with the instructions on page 1 by email to company.secretary@cerillion.com with the subject line "AGM Question".

If you wish to appoint a corporate representative, please contact the Registrar in the usual way.

On the Day of the Meeting

The meeting takes place at 9:00 a.m. on Friday 5 February 2021.

To join the meeting type (or paste) the following web address into your web browser:

<https://mmitc.webex.com/mmitc/onstage/g.php?MTID=eeb5ae4d235230ebd7b5b75f8e9a9ad4c>

You will be asked to enter a password to gain access to the meeting. This code can be found on the section of your proxy form headed 'Poll Card'. If returning the original hard copy proxy form, please detach and keep this portion of the proxy form before doing so.

When the meeting opens at the appointed time, you will be able to see and hear the Chairman. The Chairman will open the meeting and address any questions that have been submitted in advance. There will then be a short opportunity to put forward any additional questions. Shareholders should indicate if they would like to ask a question using the electronic "raise your hand" feature or by typing their question into the Q&A box in the meeting. All attendees will remain muted by the host unless and until they are invited to ask a question.

The Chairman will then formally put the resolutions to the meeting and advise of the proxy votes received in advance.

The meeting will then formally close.

As shareholders exit the AGM, they will have the option to submit an electronic poll card to record their votes. **If you (a) have already submitted a proxy instruction and do not wish to change your vote; or (b) do not wish to vote, you can click on the button to skip this step.**

The voting facility will switch off 30 minutes after the close of the meeting.

The results of the AGM will be announced by RNS and posted to the Company's website www.cerillion.com on the day of the AGM. The full poll results will also be published on this website at the same time.

AGM Resolutions

The resolutions to be proposed at the AGM (each, a "**Resolution**" and together, the "**Resolutions**") are summarised below.

Resolutions 1 to 8 are proposed as ordinary resolutions. This means that for each of those Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution.

Resolutions 9 to 11 are proposed as special resolutions. This means that for each of those Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution.

Resolution 1: Directors' Report and Accounts for the Year

Under Resolution 1, the shareholders will be asked to receive and adopt the accounts and the reports of the Directors and auditors for the year ended 30 September 2020 (the "**2020 Annual Report and Accounts**"). A copy of the 2020 Annual Report and Accounts is enclosed and is available on the Company's website, www.cerillion.com.

Resolution 2: Directors' Remuneration Report

The Directors are required to seek the separate approval of the shareholders for the Directors' Remuneration Report, which is contained within the 2020 Annual Report and Accounts. The Remuneration Committee, which assisted the Directors in the preparation of this report, has unanimously approved the report and the Directors have also unanimously approved this report.

Resolution 3: Declaring a Final Dividend

The Directors are recommending a final ordinary dividend of three point seven five pence (£0.0375) per ordinary share, for the year ended 30 September 2020. If shareholders approve the recommended dividend, it will be paid on 9 February 2021 to shareholders on the register at the close of business on 4 January 2021.

Resolution 4: Resignation and Re-election of Director

Under the Articles, certain Directors offer themselves for re-election by rotation. Oliver Gilchrist will retire at the AGM and offer himself for re-election.

Biographical details of each of the Directors are contained on page 13 of the 2021 Annual Report and Accounts.

Resolution 5: Appointment of the Auditor

The Company is required at each annual general meeting at which accounts are presented to appoint auditors to hold office until the next such meeting. Accordingly, Resolution 5 proposes the appointment of PricewaterhouseCoopers LLP as the Company's auditors.

Resolution 6: Authority to Determine the Auditor's Remuneration

It is normal practice for a Company's Directors to be authorised to fix the auditor's remuneration and shareholders' approval to do so is sought in this Resolution 6.

Resolution 7: Political Donations

Neither the Company nor any of its subsidiaries have made any donations in the year ended 30 September 2020 and it is the Company's current policy not to do so. However, the CA 2006 defines political donations and expenditure very widely and, as a result, in certain circumstances donations intended for charitable or similar purposes may now be regarded as political in nature.

In order to comply with these obligations and to avoid any inadvertent infringement of the CA 2006, the Directors consider it prudent to seek shareholders' approval for a general level of donation and/or expenditure. Resolution 7 seeks authority for the Company to make political donations or to incur political expenditure not exceeding £5,000 in total during the period from 5 February 2021, the date of the AGM, until the conclusion of the annual general meeting held in 2022, or, if earlier, 15 months after the date of the passing of this resolution.

Resolution 8: Authority to Allot Shares

This resolution is to renew the general authority to allot shares given to the Directors at the last annual general meeting. Paragraph 8(a) of the Resolution will give the Board general authority to allot up to 9,837,825 ordinary shares of 0.5 pence each. This represents approximately one-third of the Company's issued ordinary share capital as at the date of this document. Paragraph 8(b) of the Resolution will give the Directors authority to allot up to an additional 9,837,825 ordinary shares of 0.5 pence each in connection with a pre-emptive offer to existing shareholders by way of rights issue (with exclusions to deal with fractional entitlement to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems).

Resolutions 9 and 10: Disapplication of Pre-emption Rights

The CA 2006 requires that equity securities that are to be allotted for cash must first be offered to existing shareholders on a pre-emptive basis in accordance with the requirements of section 561(1) of that Act. In accordance with normal practice, the Directors are proposing Resolutions 9 and 10 as special resolutions to disapply the provisions of section 561(1) in relation to certain share issues.

Resolution 9 will, if passed, empower the Directors to allot equity securities for cash (which includes the sale of any treasury shares) otherwise than in accordance with the statutory pre-emption requirements either (a) in connection with a rights issue, open offer, or other pro rata offer, or (b) otherwise up to a maximum nominal amount of £14,756.74 which represents approximately ten per cent of the Company's issued ordinary share capital as at the date of this document.

Resolution 10 will, if passed, empower the Directors to allot equity securities for cash up to an aggregate nominal amount of £7,378.37 (which represents approximately five per cent of the Company's issued ordinary share capital as at the date of this document). Such allotment will be used only for the purposes of financing (or refinancing, if the authority is used within six months after the original transaction) a transaction that the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this document.

The Directors intend to follow the provisions of the Statement of Principles issued by The Pre-emption Group (as updated in 2015) and not allot shares on a non-pre-emptive basis pursuant to the authorities in Resolutions 9 and 10:

- in excess of an amount equal to 5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares); or
- in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares) within a three-year rolling period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment that is announced at the same time as the allotment or that has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authorities conferred by Resolutions 9 and 10 will expire at the conclusion of the Company's annual general meeting in 2022, or, if earlier, 15 months after the date of the passing of these Resolutions. It is the Directors' intention to seek the renewal of this authority annually.

Resolution 11: Authority to Purchase Own Shares

Resolution 11, which is being proposed as a special resolution, gives the Company authority to make on-market purchases of its own ordinary shares. The authority is limited to the maximum of 2,951,348 ordinary shares, representing approximately 10 per cent of the Company's issued ordinary share capital as at the date of this document and details the minimum and maximum prices that can be paid. The authority will expire at the conclusion of the annual general meeting in 2022, or if earlier, 15 months after the date of the passing of the Resolution.

The Directors consider it desirable to have an authority to purchase shares in place so as to provide flexibility in the management of the Company's capital resources. The authority will be exercised only if the Directors believe that the purchase would increase earnings per share and would be for the benefit of the shareholders generally, and specifically in order to satisfy the exercise of options under the Company's employee option schemes without causing additional dilution to existing shareholders. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

The Company has the option of holding shares purchased under the authority as treasury shares as an alternative to cancelling them. Treasury shares can be subsequently cancelled, sold for cash or used for the purposes of employee share schemes. No dividends are paid on shares which are held in treasury and no voting rights attach to treasury shares.

The Directors would consider holding as treasury shares any ordinary shares that the Company may repurchase pursuant to the authority proposed to be conferred by Resolution 11. The Directors believe that the ability to hold such shares as treasury shares will provide the Company with increased flexibility in managing its share capital.

As at the date of this document, there were the following outstanding options to subscribe for ordinary shares in the capital of the Company:

- 125,000 options under the Company's Long-Term Incentive Plan representing approximately 0.42 per cent of the Company's issued share capital (excluding treasury shares); and
- 121,714 options under the Company's Save As You Earn scheme representing approximately 0.41 per cent of the Company's issued share capital (excluding treasury shares).

If the authority to purchase the Company's shares proposed to be conferred by Resolution 11 were to be exercised in full, these options would represent (in aggregate) approximately 0.93 per cent of the Company's issued ordinary share capital (excluding treasury shares).

Entitlement to Attend and Vote

To have the right to attend and vote at the meeting (and also for the purposes of calculating how many votes a person may cast) a person must have their name entered on the register of members no later than 9 a.m. on 3 February 2021. Changes to entries on the register after this time will be disregarded in determining the rights of any person to attend or vote at the meeting.

Appointing a Proxy

You are requested (whether or not you intend to be present at the AGM) to appoint a proxy. Appointment of a proxy will not prevent you from attending, speaking and voting in person at the AGM, should you wish to do so.

If you are unable to attend the AGM, but would like to vote on the resolutions please appoint a proxy. To appoint a proxy you should complete the Form of Proxy form sent to you with this document and return it (together with any power of attorney or other authority under which it is signed, or a certified copy of such document) by email to company.secretary@cerillion.com or by post to Computershare Investor Services PLC (the "Registrar") of The Pavilions, Bridgewater Road, Bristol BS13 8AE

The proxy form should be returned as soon as possible and in any event so as to be received by our Registrar by 9 a.m. on 3 February 2021.

Recommendation

The Directors consider that all the resolutions set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of each of these resolutions, as each of the Directors intends to do in respect of his own beneficial holding of shares in the Company, which amount, in aggregate to 9,340,604 ordinary shares representing approximately 31.65 per cent of the issued share capital of the Company.

Part B: Electronic and Website Communications

The Company is seeking the consent of shareholders to send or supply documents and information in electronic form and by way of website publication.

In addition to obtaining your individual consent to communications by way of website publication, the Company is required to either obtain the authority of the members by way of ordinary resolution, or to have provisions in its articles of association permitting website communication. The Company already has provisions to allow website communications in its articles of association.

The Company would like to communicate with you electronically for the following reasons:

- cutting back on hard copy paper printing is beneficial to the environment;
- electronic communication is faster than hard copy postage, so you will receive information from the Company more promptly; and
- sending documents electronically will increase shareholder value by saving on the Company's printing and postage costs.

Please note that if you consent to receiving documents or information in electronic form or by website publication, you will remain entitled to a hard copy version of any document or information upon request. In addition, the Company may in certain circumstances choose to send you documents or information in hard copy rather than in electronic form or by website publication.

Action Required

If you consent to the Company sending or supplying you with documents and information in electronic form, you should either:

- a) visit www.investorcentre.co.uk/ecomms and submit your email address and SRN as directed; or
- b) add your email address to the box in option 1 on page 2 of the enclosed form entitled "Help reduce the environmental impact of your communications" and return it to the Company in the reply-paid envelope provided.

If you consent to the Company communicating with you by way of website publication, no further action is required. You will be deemed to have agreed to the Company sending or supplying documents or information to you by making them available on a website from 19 January 2021.

If you do not consent to the Company communicating with you by way of website publication, you should tick the box in option 2 on page 2 of the enclosed form entitled "Help reduce the environmental impact of your communications" and return it to the Company in the reply-paid envelope provided.

If the Company is permitted to proceed with website communications, it will notify you whenever it makes documents or information available on a website, giving you details of:

- the address of the website;
- the place on the website where the documents and information are located; and
- details of how to access the documents or information.

Yours faithfully,

Alan Howarth
Chairman

Notes

1. Only those members on the register as at 9 a.m. on 3 February 2021 (or, in the event of an adjournment, at 6 p.m. on the day which is two working days before the date fixed for the adjourned meeting) will be entitled to attend and vote at the meeting and they may only vote in respect of the number of shares registered in their name at that time. Changes to entries on the register of members after 9 a.m. on 3 February 2021 will be disregarded in determining the rights of any person to attend or vote at the meeting.
2. A member entitled to attend the meeting is entitled to appoint another person as their proxy to exercise all or any of their rights to attend and to speak and vote at the meeting. A member may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by the member. A member wishing to appoint more than one proxy should contact the Company's registrars, Computershare Investor Services plc. A proxy need not be a member of the Company. Appointing a proxy will not prevent a member from attending and voting at the meeting in person.
3. A form of proxy for use in relation to the meeting is enclosed. To be valid, the form of proxy and any power of attorney or other authority under which it is signed (or a duly certified copy of such power or authority) must be sent by email to company.secretary@cerillion.com or deposited with the Company's registrars, Computershare Investor Services plc, at The Pavilions, Bridgwater Road, Bristol BS99 6ZY not less than 48 hours before the time appointed for the holding of the meeting or any adjourned meeting.
4. As at 18 December 2020 (being the latest practicable date prior to publication of this notice), the Company's issued share capital consisted of 29,513,486 ordinary shares of 0.5 pence each, of which 12 were held in treasury. Each ordinary share, other than those held in treasury, carries the right to one vote at a general meeting of the Company. Therefore the total number of voting rights in the Company as at 18 December 2020 was 29,513,474.
5. A corporation that is a member of the Company may authorise a person or persons to act as its representative(s) at the meeting. Each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company provided that they do not do so in relation to the same shares.
6. Voting on all resolutions at the meeting will be conducted by way of a poll rather than on a show of hands. This is a more transparent method of voting as shareholders' votes are counted according to the number of shares registered in their names, and is administratively easier when conducting the meeting on a remote basis.
